

Agenda:

Food

Fun and Activities

Reservations (who is where)

Discussion:

How the economy is affecting the reunion?

Trent: is still attending the reunion, but will cancel the trip following to Mt Robson

Had looked into landing a helicopter on the top, but they can't do it.

Encouraging thing is that the cost of flights is coming down (\$650 initially, now about \$400)

Dawn: will be going from 8/5-8/12, instead of 8/15

Mark H: will be flying to Salt Lake and then driving up with parents from there

**Food:** Mark H. talked with LaRea and she has agreed to help with the food. She has stayed at the hotel, knows where the grocery stores are, and would be able to help Aunt Sharma well.

Breakfast is on the lodging, lunch on our own, and dinner combined event.

Dawn suggested maybe a dinner at a restaurant on Wed night. Also, possibly doing a pizza night.

Sharma said that the Inn has suggested that we might be able to take our breakfasts into the meeting room. Possibly we can use the room during the day.

Dawn will: check into the shuttle (name and cost).

Confirm when the meeting room is available to us.

Check if they have games available

Cancel extra KOA sites

**Activities:** Nancy K will do the auction; Trent will be the auctioneer.

Discussed ways to make it fun. Possibly setting prices to start for items, or having children's items.

Steve will coordinate music; Mark K will locate a site to perform

Need to know:

People will need to bring their own instruments

Sharma got a name of a nursing home just down the street

T-shirts, nothing yet... Mark H. will call Linley about t-shirts (will let Kathy know in 7 days)

Mark H will talk to Nelia about running the talent show

Bring classic games (spoons, I doubt it, kick the can)

Chandra will coordinate horseback riding

**Lodging:** Linley, Forrest, Nelia/Dick, Trent, Dawn, Chandra, Craig, Grace/Steve, Tricia, Sharma/Bob, Mark K/Nancy and Kathy have all reserved rooms

Dawn will send a spreadsheet to everyone in the next 7 days

Reunion planner: Mark K has the old reunion planner; everyone should have a 'reunion planner 2, 3 and 4' from Dawn and Mark K. Both have questionnaires with them. Maybe have each coordinator (lodging/activities/food) review the old planners and make needed revisions. Mark K will send all three planners to everyone, and we can each review them. Then the coordinators get them back to Mark K in a week; then he will compile them and get them out to the family for answers.

Mark H. will remind the committee members twice, once right after call, and again a few days before the call.

Mark K. has posted pictures from Forrest on the blog...check out the new pictures. They'll also be posted on the website.

Next call will be April 5th (Palm Sunday) at 5pm PST/8pm EST

Questionnaires will be approved by the committee and sent out in 2 weeks, and hopefully will have all responses by the date of the next call.
