2 – Theme

-- Objective is to have Theme by Sept 30th. Some suggestions so far:

- "West Coast Robson Connection"
- "Family fine in 09"

-- We ran out about here, so decided to put it out to the family for their choices. Put a reward of one free T-Shirt. This will get a few more creative minds on the project.

-- Mark H to draft letter, U Mark to distribute via e-mail

3 – Committee Reports

- Trent Logistics – Basic plan, 14 days, 3-5 with family and 7-8 at Mt Robson. Transportation still being investigated i.e. Car vs RV. Trent will have more definite plans by End of Sept. He is researching the technical level and preparations required for the climb.
- A Sharm or Dawn mentioned that Chandra had volunteered to assist Kathy on the activities committee
- Relative to early confirmations, A Sharma noted that through personal conversations Aunt Terry was a no, Jinney was a NO, Betsy was a No and Jon was a no. Melita is a possible with more desire than perhaps financial resources. I think we should have a conference call or two during the reunion so that those who want to participate such as Melita can join in and be connected in heart and spirit (or at least sound).

4 – Next Call is Sunday Sept 28 8:00 ET, 5:00 PT. Mark H will get the number out a week ahead of time. A new call in system has appeared.

HAPPY BIRTHDAY AUNT SHARMA 2008 !!!
